Work-Life Balance Program*

This program assists employees with everyday home, personal and family issues. We provide full access to counseling along with information and resources for wellness.

Assist America Travel Program*

Employees and family are covered while traveling with crisis management, guaranteed hospital admissions, critical care monitoring, emergency medical evacuation, and more!

*An employer must sign up for either the Life Insurance or the Long Term Disability to receive these value added benefits.

Call Spencer Olson at BHS Insurance Agency to enroll or to find out more.
